We were welcomed into Tony's home for a delightful spread of food and refreshments and engaging conversation. About 7:00 p.m. we moved to the Atlas Theatre in downtown Cheyenne to experience an engaging production of the classic "A Christmas Carol" by the Cheyenne Little Theatre. After the play we scurried to our vehicles, as the weather was a bit chilly with a 'good night to all'.

Canned food and disposable diapers were collected at the get-together. Kristy Anderson gathered the diapers to be donated to the Boys' and Girls' Club of Cheyenne as part of their holiday charity to the community. The canned food was taken by Eric Crock to be put with McCormick Junior High's food drive in Cheyenne.
